

17 Years Aikido in Klardorf / Sep 13th – Sep 15th 2019

Patrick Cassidy Sensei, 6. Dan Aikido

In September 2002 we started with our first training.
2009 we celebrated our 7th year anniversary with 3 Aikido teachers.

And now it is 2019, so let's go, let's celebrate.

We Aikidokas from Klardorf are very much looking forward to you paying tribute to that and training Aikido under the guidance of Patrick Cassidy.

„From tradition to transformation!“

Patrick Cassidy will guide us through this journey and have us experience quite a bit at this weekend.

From the traditional sword and classy body work over
practising the Shoto to
Aiki Combat Improve.
